

Global Executive Solutions

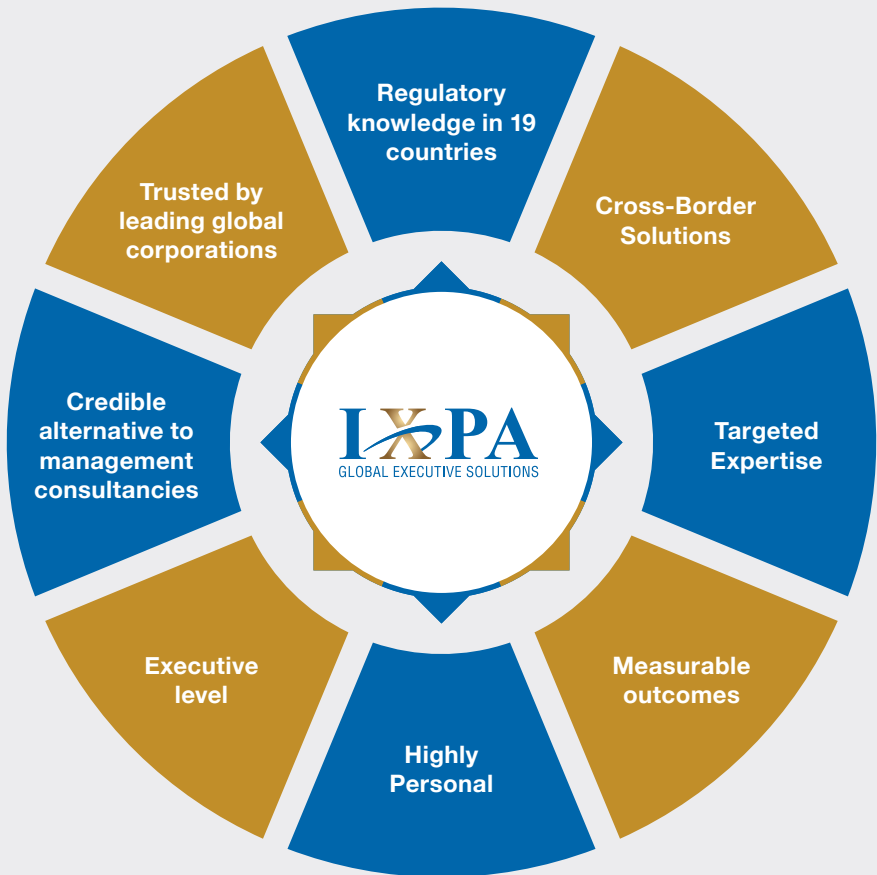

We solve your cross-border business challenges by supplying executive level Interim & Transformation Managers

www.ixpa-interim.com

IXPA has 15 partners across 19 countries on 4 continents who deliver business change, transformation and restructuring globally.

Key Advantages

Collectively IXPA partners have over 150 years experience providing business solutions to our customer's decision makers

Accountability

IXPA's partners work individually and in collaboration to ensure that your global requirements are delivered efficiently.

The Process

1. Discovery

Evaluating your current business situation.

2. Solution

Developing a “best in class” plan to reach your desired outcome.

3. Funding

Business case approved and funding secured.

4. Strategy

A detailed plan is developed with targets, roadmaps and benchmarks.

5. Delivery

Introducing executive level Interim Managers to deliver the project.

Our proactive approach and cross-border capabilities set us apart from other providers of executive transformation.

Working With Us

By choosing IXPA you will have a single point of contact either in the country of your HQ or in the country of your subsidiary.
